

1. "God's Law" • What attributes of God are revealed in this command? Can you think of New Testament passages that support this?

2. "We Fall" • How do we regularly fail to obey this command? What illustrations can you think of from Scripture?

3. "Jesus Yeah!" • How did Christ perfectly obey this command? Can you think of Scriptures that illustrate when He was tempted not to, yet was without sin?

4. "We Obey!" • As His children, how can we now obey this command positively, and not just avoid committing a violation of the command?

5. This command is the only one that is not repeated in some fashion in the New Testament. Some suggest that means we no longer have to follow it. Do you agree?

6. How can we speak of Sabbath (and rest!) in such a way as to call nonbelievers to follow Christ?

JEREMIAH 24

For the 52 weeks of 2018, we will be featuring one chapter per week during our music liturgy

Read the chapter and consider the following questions.

How does this passage predict/inform the exile Israel faces?

How does this chapter instruct/rebuke/encourage the faith of the Israelites?

How can this inform my thinking as an "elect exile?"
