cross references- John 1:1-18; John 17:1-26; Colossians 1:15-20; 2 Peter 1:16-21

1. Compare I John to other letters in the New Testament. What is different about John's introduction?
2. Compare I John 1:1-4 with John 1:1-4. How are they similar? How are they different? (Is there any doubt the same author wrote them?)
3. How do the two above passages describe Christ's relationship with the Father?
4. What different names does John use to refer to Jesus? Why do you think he uses different names?
5. Define fellowship. What characters are necessary for genuine fellowship to take place?
6. What was John's personal motivation for writing the book?
