

Ecclesiastes 1:12-2:26

september 20, 2026

Some people say the Preacher is Solomon. Others argue it is not. What evidence do you see for or against? What do you think?

How does the world seek wisdom and why does it come up empty? How does a gospel perspective make wisdom fulfilling?

How does the world define pleasures and why do pleasures always come up empty? How does a gospel perspective make pleasures fulfilling?

What does the world consider prosperity and how does it always come back empty? How does a gospel perspective make prosperity fulfilling?

Why does the Preacher have a bit more credibility on this issue than you or I? How could you share this point with others to help them see why their pursuits feel unfulfilling?

How were you challenged, convicted, or comforted by this passage?
