How can we be aware of corruption, oppression, and injustice without becoming cynical?

While these things always seem present in government, what advantage can government bring?

Ever thought, “If I could just have “x” dollars I’ll be happy/secure? Did you get there? What happened when you did? What has happened if you haven’t?

We usually think of lack of wealth as being harmful, but how can riches obtained be harmful?

Are wealth, possessions, or riches evil? What role should they play?

How were you challenged, convicted, or comforted by this passage?
