

1 CORINTHIANS

1 Corinthians 10:14-22

October 16, 2022

Idolatry is more about heart motivations than bowing down to statues of false gods. Look back over the last paragraph, what idols (heart motivations) do you think Israelites were pursuing?

What are some common idols in the world today? How about in the church? Your life?

How does the Bread and Cup symbolize our communion with God? How does it symbolize our communion with one another? How does both work together?

How did priests “participate” in the sacrifices? How does this speak into Paul’s point about participating in idolatry?

We know that Scripture doesn’t contradict, so how do you reconcile this passage with 1 Corinthians 8:1-6?

Did this passage correct, convict, equip or encourage you? In what way?

PRAYING THE PSALMS. Pray through **Psalm 119:113-120** (the theme word is “double-minded”). How did you notice this theme in the rest of this section? How did you see your life circumstances and this section intersecting?
