

# 1 CORINTHIANS

## 1 Corinthians 15:20-28

April 9, 2023

What must happen before the bodily resurrection of all the saints? Why is it significant that Jesus is the “firstfruits” of such resurrection?

Adam and Jesus get compared/contrasted a lot. (Jesus is even referred to as the Second Adam). Use the back of the paper to list out the things they have in common, yet how Christ is greater.

Death is deemed a defeated enemy, though it is not yet destroyed. How should this paradigm inform our view of death and suffering today? How is it hopeful, yet also realistic? How could this view be used to minister to believers and unbelievers?

Paul does one of his “logic circles” in 27 and 28. (Don't feel bad if you have to read, reread, reread, etc). How does this affirm that subjection is not a product of sin, however? What application can this have for us?

Did this passage correct, convict, equip or encourage you? In what way?

**PRAYING THE PSALMS.** Pray through **Psalm 14**. How can this particular Psalm speak to your current prayer requests and needs?
