

1 CORINTHIANS

1 Corinthians 10:6-13

October 9, 2022

What happens if we read the Old Testament merely as moral instructions? How do we miss some of the point if we simply see it through the grid of doing right or doing wrong?

What happens if we fail to learn from the Old Testament? How does our faith suffer if we figure only the New Testament can serve as useful to our understanding of the gospel?

What Old Testament events is Paul referencing in this section? Where are they found? What idols would you say drove each narrative?

Beyond “misery loves company,” how is our faith better served to remember that the temptation we face is not unique?

What does Paul mean by “a way of escape?” Can you give any examples from your life?

Did this passage correct, convict, equip or encourage you? In what way?

PRAYING THE PSALMS. Pray through **Psalm 119:105-112** (the theme word is “lamp”). How did you notice this theme in the rest of this section? How did you see your life circumstances and this section intersecting?
