

1 CORINTHIANS

1 Corinthians 12:21-31

January 22, 2023

What's a part of your body you considered insignificant until you hurt it? How did that injury change the way you think of that body part from now on?

Are there gifts you treat as shameful? Are there gifts the church could do a better job of honoring?

How can gifts lead to division in the church? How can we avoid this?

Paul speaks of individual offices as gifts to the church also. Do you believe all those offices exist today as they did in the first century? Why or why not?

What does it look like to "earnestly desire" gifts but to not obsess over them or let it cloud your judgment in other areas?

Did this passage correct, convict, equip or encourage you? In what way?

PRAYING THE PSALMS. Pray through **Psalm 3**. How can this particular Psalm speak to your current prayer requests and needs?
