

1 CORINTHIANS

1 Corinthians 10:1-5

September 25, 2022

List the specific OT events that Paul identifies. (For “bonus points”, look up the references in Exodus)

Would these events (those you listed above) be something the Corinthians would be unaware of having happened? What then do you think is Paul’s concern that they would be unaware?

Paul says the “Rock was Christ.” Are there any other passages that come to mind with this statement?

Paul uses some “New Testament language” to retell and Old Testament event. What can this tell us about the way Paul read his Bible? Should that inform the way we read ours?

Why was God not pleased with most of the Israelites in the Wilderness?

Did this passage correct, convict, equip or encourage you? In what way?

PRAYING THE PSALMS. Pray through **Psalms 119:89-96** (the theme word is “forever”). How did you notice this theme in the rest of this section? How did you see your life circumstances and this section intersecting?
