TEXT: JAMES 3:1-12

ACCOUNTABILITY FROM JAMES 2:14-26

James encourages us to be doers of the Word and not just hearers. After studying the passage and hearing the sermon what application might you want your LifeGroup to help you with?

DIGGING INTO THE TEXT

1. Why are ALL words so critical? (Matthew 12:34-37)
2. What are the dangers of being a teacher? How can this be dangerous to our souls? (Matthew 23:1-12)
3. Are our words merely the product of our heart, or can they impact our heart as well?
4. How do we often use our tongues? (Psalm 140)
5. How should we use our mouths? What should be our goal?

ACTION

- What is James calling us to do?

- How does the text indicate that these actions should be built upon our faith in the Gospel?
