TEXT: JAMES 5:19-20

ACCOUNTABILITY JAMES 5:13-18

James encourages us to be doers of the Word and not just hearers. After studying the passage and hearing the sermon what application might you want your LifeGroup to help you with?

DIGGING INTO THE TEXT

1. What is the relationship James establishes between doctrine and action?
2. How should we go about addressing one another's sin? (Matthew 18:15-20)
3. How can you save a person from death? (1 John 5:16-21)
4. What should our attitude be when reaching out to a sinning brother? (Galatians 6:1-5)
5. What does Peter say covers a multitude of sins? (1 Peter 4:7-11) How does that tie into this passage?

ACTION

- What is James calling us to do?

- How does the text indicate that these actions should be built upon our faith in the Gospel?
