TEXT : **JUDE 8-13**

1. What does this passage say about God?
2. What does this passage say about people?
3. Therefore, what should I do?
4. Let's be honest: How do I fail to do what I ought to do?
5. How has Christ done this thing perfectly?
6. How is Christ's death sufficient and satisfactory for my sin of not doing what I ought to do (Romans 8.1)? And how is Christ's resurrection empowering me to be transformed and live as I ought (Romans 8.11)?
7. Because the Gospel is true, therefore, what am I going to do?
