

*Melchizedek is described in Hebrews 7 (and appears in Gen 14:18-20 and Psalm 110:4). He's a peculiar fellow in many ways. Spend a little time online/in your favorite study Bible seeing what you can learn about him...then answer the below...*

1. What does the name Melchizedek mean? What about the name of the city he's from? What does that translate as?
2. Describe the circumstances in which Melchizedek appears in Genesis 14:18-20.
3. Using Hebrews 7 as your primary source...list phrases that the author of Hebrews uses to describe Melchizedek on the left below; then on the right, describe how those phrases find their completion (think perfection) in Jesus Christ.

Melchizedek	Jesus

4. How would you respond to the person who says, "What's the point of studying Melchizedek? It feels like a wasted academic exercise. I want to study things that tell me what to do and how to think!"
