

*DANIEL 7:1-12 ~ February 28, 2021*

Daniel 7:1 indicates we're not operating chronologically from Daniel 6. Where would this dream fit into the timeline of Daniel's exile?

Compare this section to Daniel 2:31-45. What similarities and differences do you see?

Look to Jeremiah 49:19-22. How does Jeremiah's prophecy help understand the vision a bit better?

Even if you only work in the "stick figure genre" (my only art form), try to sketch out the beasts. What do you do with the fourth? What does this say about the nature of the kingdom it represents?

Now consider the vision of the Ancient of Days. How does it display His authority over all the other kingdoms?

How can we apply the vision of God's sovereignty over ancient kingdoms in our time? What gospel hope can this provide us?

### *Psalm 83*

We will be highlighting one Psalm per week during our music liturgy

**Read the Psalm and consider the following questions.**

*What does this Psalm teach us about God?*

*What does this Psalm teach us about ourselves?*

*How does this Psalm show us our need for a savior?*

*How does this Psalm lead us toward hope in God?*

*How should/can we pray in light of this Psalm?*
