

DANIEL 9:20-27 ~ May 9, 2021

Review: When have we seen Gabriel in Scripture? Is there a theme to his appearing?

How closely tied is discernment/understanding with prayer? Where else do you see this in Scripture?

How can this passage encourage you when you are praying, but feeling like you're not getting answers immediately?

What does Gabriel seem to mean by "weeks?"

Can you find a date for the decree to restore Jerusalem? When is that? When would that place 69 weeks later?

Many people speculate on the application of the 70th week. While "apocalyptic literature" is often figurative, how does the nature of the interpretation of the 69 weeks give us an indication on how we should handle the 70th week?

What gospel hope do you find in this passage? How can it encourage your walk today?
