

# 1 CORINTHIANS

## 1 Corinthians 2:6-16

October 24, 2021

How does this section of text affirm the divinity of the Holy Spirit?

Read all of Isaiah 64. How does it help explain the hidden and secret nature of God's wisdom? Why don't we naturally see God's glorious wisdom?

So many people make consulting the Spirit a subjective matter. How can we practically seek the wisdom of the Spirit in a way that builds unity and confidence in the wisdom of God?

Can you think of someone who knows the truth (intellectually) but does not comprehend it spiritually? How often do you pray for them?

What does it mean that we have the mind of Christ? What can that look like within the LifeGroup?

What in this passage encouraged, convicted, challenged or strengthened you? In light of this passage, how would you like the LifeGroup to pray for you?

Want to read and study more? This week, we're in **Psalm 118** for liturgy. Take a look and write some reflections.
