

# 1 CORINTHIANS

## 1 Corinthians 5:1-8

January 16, 2022

How do you think the Corinthian church was manifesting arrogance in the midst of shameful sin? How do you see this today in our culture?

What does it mean for the man to be removed from the church? Can you think of other passages that would illumine this command?

One could literally accuse Paul of being "judgmental?" Why do you think he feels qualified to pronounce judgement even though he's not even in Corinth?

What is Paul's desired outcome for the sinful man? What does that in turn say about the benefits of being active in the church body?

What is Paul's desired outcome for the church of Corinth?

Does this passage encourage you in the gospel? How? Why or why not?
