

As servants...we commit

Using a bible study tool, look up the greek word for "servant." What could be a better translation for this word?

What would you say to someone who objects that seeing yourself as a servant seems demeaning? (John 13)

How does the Lord respond to our obedience? (Matthew 25:14-30)

How would you summarize a Christian's duty?

Look ahead to Luke 17:11-19. How does this account with the lepers illustrate the teaching from 17:7-10?

Values flow from our identity, not the other way around. (As servants, we commit NOT we commit to become servants.) How does this passage help reinforce that proper order?
